

LA SALTIANNA

HAIL ALMA MATER

By Fred Barkley '57

Hail, Alma Mater
Saltzburg High,
We think of days
And years gone by.
And praise we offer
Thee e'ermore --
As we depart from
Life's vast shore!
Oh, hear us when
We sing to thee,
Of our great love
And loyalty!

Hail, Alma Mater --
Saltzburg High
Thy mem'ry sweet
E'ermore shall lie
Within our hearts
Within our soul,
As we march onward
Toward life's goal.
May God's rich blessings
E'er be thine,
And always thy loved
Name refined!

Saltzburg Joint High School

ON THE MOVE AT S.J.H.S.

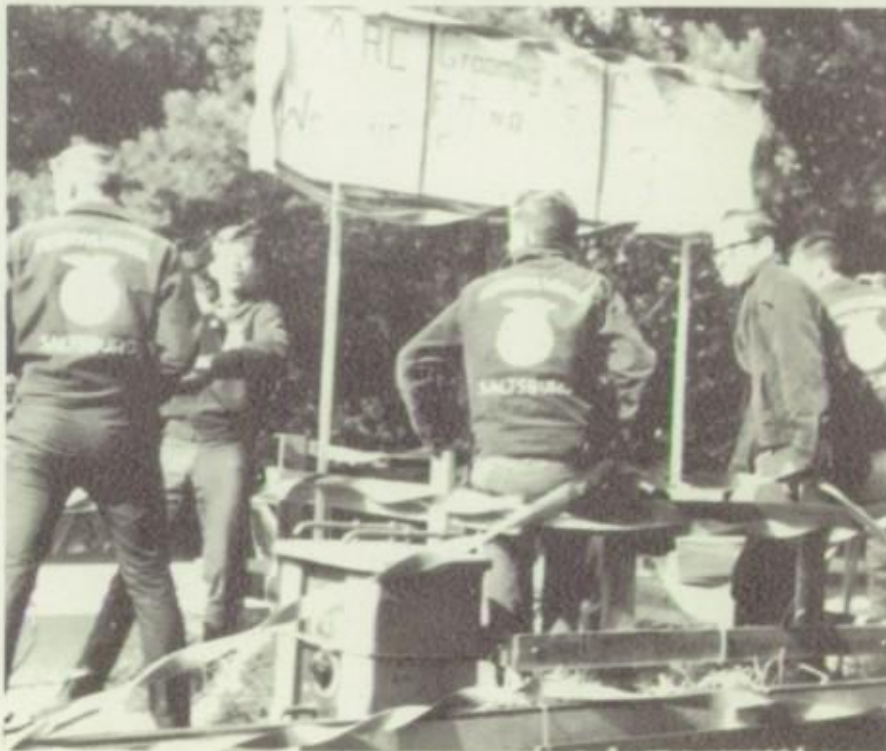

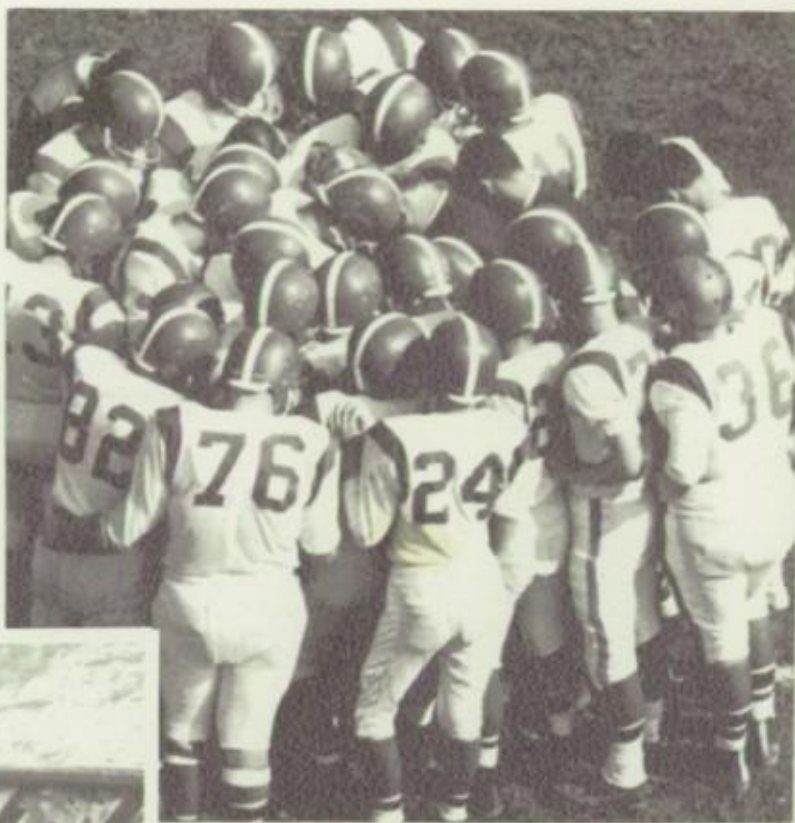

When September comes
And classes begin
Students of S.J.H.S.
Have one major purpose in mind--
That of attaining achievement
Toward future success.
In athletics,
We found personal satisfaction,
Along with the value
Of true sportsmanship.
Socially we learned
The art of making new friends
And keeping the old.
Through academic endeavors
We have gained
Knowledge of the world about us.
All the fun, efforts, and anxiety
Included in our school life
Show S.J.H.S. students
On the move toward higher goals.

ON THE MOVE AT S.J.H.S.

Even though academic achievement
Is foremost in our minds,
S.J.H.S. students are eager,
Energetic, fun-loving teenagers,
Constantly on the move
Exploring new ideas and experiences
In all phases of life.
Vitality, vigor, and curiosity
Being the spirit here,
We participated in
Many extra-curricular activities
Which revealed our intense
Interest and enthusiasm.
We run the gamut-
Being whimsical, creative,
Determined and athletic-
With emphasis placed on developing
The entire personality.

To the graduating seniors,

It has been my privilege to serve as your supervising principal the past eight years. I hope that the years you have spent in Saltsburg High School have been both challenging and rewarding. My associations with you will long be remembered and may you enjoy every success and happiness in the years to come.

Dear Seniors,

Our civilization is expanding at such a rapid rate that it is difficult, if not impossible, for us to comprehend the meager existence of our grandparents a half century ago.

Now as we stand at the threshold of a vast and completely new era of economic development, the opportunities and goals possible for each of you stretch beyond our faintest imagination.

It is my wish that each of you might have mastered the foundations that will lead to a further development of the educational skills required for existence in this rapidly changing society.

Underclass V.I.P.'s

As we, the class of 1967, end another year at S.J.H.S., we look back on our Junior year with fond memories.

A highlight of the year was the Thanksgiving Dance, "The Plymouth Rock," which greatly contributed to our coffers.

Our biggest event, the Junior-Senior Prom, "A Rendezvous in Rome," truly tested our skills as individuals, as well as a class working together.

Both academically and athletically our class has participated extensively. During the course of the year, we have tried to accept responsibility and to prepare ourselves to meet the problems to be faced in oncoming years.

Junior Officers-J. Cindric, V.Pres., E. Bartolini, Pres., C. Schmidt, Secy., S. Busi, Treas.

Sophomore Officers-M. Honeycutt, V. Pres., R. Young, Pres., M. Cindric, Secy.-Treas.

We, the members of the Freshman class, participated in many sports and activities and learned the true meaning of competition, teamwork, and good sportsmanship.

The most exciting event in which we engaged was the annual Sweater Hop, "Our Hearts In Harmony." Much preparation and ingenuity were combined into our dance and it was truly a success.

We can only hope that the years to come at S.J.H.S. will be just as rewarding as this, our Freshman year.

We, the class of 1968, began this term, realizing our many responsibilities and upcoming events. These included electing officers, receiving class rings, and sponsoring the Christmas Dance. "Our Jingle Bell Rock," which took place December 16, was exciting as well as profitable for our class members.

In extra curricular activities, we were well represented in all categories; namely, athletics, cheerleading, band, singing groups, and the various clubs.

As we worked toward our goal of becoming Juniors and eventually graduating, we enjoyed good times while acquiring knowledge.

Freshman Officers-D. Deemer, Pres., J. DelFavero, V. Pres., M. Heard, Secy.-Treas.

Men's Varsity Club Plan Homecoming

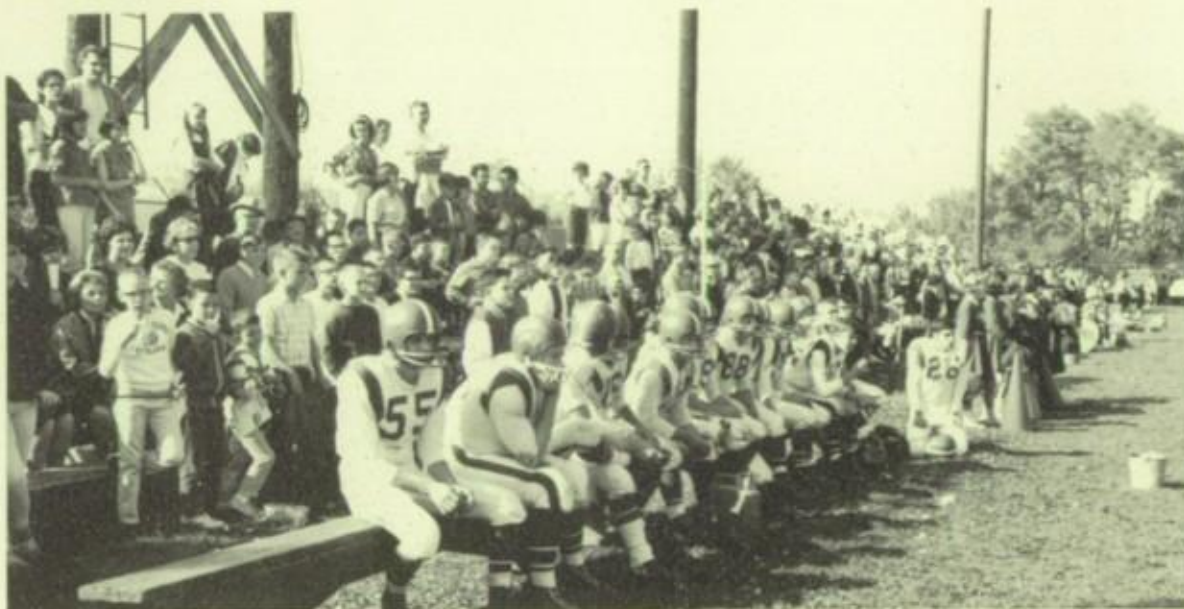

VARSITY CLUB

This year the Varsity Club was an all male organization which consisted of athletes who lettered at least once in any sport. The two year lettermen received Trojan jackets this spring. The Varsity Club undertook Saltsburg's first Homecoming. They planned and worked out the details for the bonfire, the parade, Open House, half-time entertainment and the Alumni Dance. They were aided in this mammoth project by Mrs. Weimer, Cheerleaders, and Senior Class Members.

Tomorrow's Teachers Gain Experience

Organized three years ago, the F.T.A. continued to promote good will between teachers and students. The thirty-five members with sponsors, Mrs. Hadden, Mr. Hilty, and Mrs. Rankin, met monthly to view movies about the teaching profession and to discuss current projects. Seniors proudly display the pins given to them by the club. Highlights included the Homecoming float, Saltsburg-Blairsville Social, attending the F.T.A. convention in Harrisburg, and producing the F.T.A. scrapbook. The club's activities--both educational and social--have greatly influenced the minds of these young people.

Creativity and Talent

Pertinent and timely news about school life has been published by the Salt Shaker Staff, under the guidance of Mrs. Roth. Besides the staff of keyworkers, helpers wrote articles, collected orders, and distributed copies. All of these members composed the "assembly line" which worked feverishly to meet each deadline. Interesting features have been "peanut" sketches, interviews with new students and teachers, candid opinions by 7th graders and original "Happiness and Misery" ideas.

Relieving Miss Jackson of many clerical duties, the members of the Library Club gain experience in operating a library. This year they sponsored the first Book Fair, which was noteworthy and beneficial to students. The books-for-sale offered a wide selection of classical, non-fiction, and contemporary, fictional works. Aside from working in the library, the club members prepare displays for the showcase and bulletin boards.

A new club organized this year is the Future Nurses Club, under the direction of Miss Wetzel, school nurse. Already the girls toured Indiana Hospital, helped administer tuberculin shots to the elementary students, and collected for the March of Dimes. President, Sandy Busi, attended the Western Pa. Nurses' Convention. The many medical experiences enjoyed by the club lend insight to their chosen career.

F. H. A. Explores Home Management

At Christmas time the F.H.A. members held a toy drive for needy children. In October they donated \$10 to C.A.R.E. Other activities were coloring eggs for the Easter egg hunt at Kiski and sponsoring the St. Patrick's Day dance. Quite often they were asked to make favors and serve as waitresses for banquets.

Once again S.J.H.S. Future Farmers showed great pride in their year's achievements. Among them were the erecting of the appropriate F.F.A. float for the Homecoming festivities and the annual bus trip to the Harrisburg Farm Show by Mr. Veach and 19 of the members on January 10, 1966.

Future Mathematicians Expand Fundamentals

Geographers Travel to Conference

The S.J.H.S. Geography Club always attends the Western Geography Club Conference. Their advisor, Mr. Anderson, arranges the bus trip. This year, they traveled to Johnstown, Pa. to join with 500 other Geographers. After an elaborate "political session"--placing names in nomination for future offices--a business meeting was conducted to elect new officers. A Geography Exhibition, a State Legislator's message, a contest, a visit to WJAS-TV, plus a delicious banquet, made this trip quite exciting and valuable to eighth graders.

Chorus Carols Christmas Cheer

For our Christmas program the Mixed Chorus, under the direction of Mr. Dawson and Miss Haslett, sang American, along with French, Austrian, and Catalonian carols. Mary Barkley and Mrs. Rankin accompanied the singers. The Freshman Four, which includes Jackie Butler, Celeste Michelotti, Janet Sell, and Natalie Wildfire, sang "Winter Wonderland" and other popular tunes of the season. After the program, Mr. Flick led the student body in the singing of many traditional Christmas carols.

In our operetta "Mr. Crane," Mr. Dawson directed the vocal and dramatic scenes; Mr. Cribbs formed and led the Pit Band; Mrs. Carole Ling designed and hung the modernistic scenery. Through the combined generosity and talents of faculty, students and community, our operetta was deemed an outstanding, successful production.

Hard-fighting Trojans Taste Victory

Coaches--Mr. Clawson, Mr. Flick, and Mr. Fenoglietto.

The final records show that, statistically, the 1965 gridiron season was not only the Trojans best since 1956 but also one of their most productive. The Trojans chalked up 213 points to their opponents 126 for a 9.7 difference per game. During their mid-season 4 game winning streak they outscored the enemy 154 to 25, racking up 2410 total yards per game with 1953 of these gained rushing.

Girls' Varsity Overwhelms Elderton

With the co-operation and guidance of Mrs. Zucchelli, the Trojanettes entered another successful season. Their schedule began January 6, with a victory over Elderton. As the season progressed, the Trojanettes continued to display good sportsmanship and playing ability which resulted in numerous victories. The J.V. squad did not play as heavy a schedule as the Varsity, but they gained valuable experience for next year.

New head coach, Mr. Clawson, started the season with only two returning lettermen, Dave Ercole and Larry Sutyak, and only one other Senior, Mike Previc, on the squad. Mr. Clawson decided that the wisest policy was to build for the future. With eleven juniors on the combined squad, Mr. Clawson has a fine nucleus for next year. Mr. Uptegraph, new J. V. coach, has depended mostly on his Sophomores in an attempt to bring victory to the land of Troy.

For students who don't participate in inter-scholastic sports, gym classes offer an opportunity to build muscle tone and develop new athletic skills. We Started in September —

"School is out!" The Seniors shout.
"Summer's here!" The Juniors cheer.
"Another year gone by!" The under-

So ends another year at Saltsburg High.

Our Year to Remember

As our Senior year comes to a memorable close we reflect with wonder that amid the confusion of staff meetings and piles of paper work, we managed to meet the final yearbook deadline. It was a busy year for the school and the La Saltianna Staff had to hustle to keep up with it. We found that time had a habit of vanishing when there were deadlines to be met.

Soon all that will remain to remind students of what transpired here during this year will be the 1966 La Saltianna. May it enfold cherished memories of life at S. J. H. S.
